

INTERNSHIP APPLICATION

The office of Representative Mike Rogers offers an internship program giving students an opportunity to observe and participate in the workings of the United States House of Representatives. Interns are an essential part of the office, and this internship offers opportunities to assist staff in the areas of legislative research, press, administrative support and constituent service activities.

Interns can expect to spend half of their time handling routine administrative duties and the other half on more extensive activities. We encourage our interns to take full advantage of opportunities to attend hearings, special seminars and other events to make the most of their internship. Our goal is to offer the most rewarding experience possible, while fulfilling the existing needs of our office.

Interested applicants should fax or email this application, including a copy of your resume, to:
